

EARN YOUR AA DEGREE AT YELM HIGH SCHOOL

Program begins your Freshman Year

By earning your AA-DTA* in high school you can:

- STAY at Yelm High School all day. This is different than Running Start.
- save thousands of dollars in tuition
- shave up to two years off your college education
- access Career and Technical Education opportunities aligned to your job interests
- transfer to any Washington 4-year college or university as a junior, with your general education requirements fulfilled. *STEM majors will require additional math and science courses
- transfer to any Washington community college program with your general education requirements fulfilled
- enter the workforce after graduation with your diploma and AA-DTA degree, providing an immediate advantage and future educational opportunities

**Tuition assistance is available on a limited basis for
income-eligible students.**
